MEMBER'S AGREEMENT

On behalf of yourself and your dependents, if applicable, the following are the terms and conditions of membership, including all documents included herein by reference above.

By submitting your enrollment request form, you acknowledge that you have read (on your own behalf and on behalf of your enrolled dependents) the following terms and conditions:

1. DESCRIPTION OF PROGRAM'S FEATURES:

Each Member is entitled to receive discounts on specified services when using a participating provider ("Provider") as set forth on the DENTALPLANS.COM website Provider List. Members are entitled to receive certain dental services from Providers at predetermined rates and for a percentage discount off the Provider's normal retail prices for such dental services. The dental provider listings on DENTALPLANS.COM are provided directly from each dental Plan or Program, and the respective dental Plan or Program provides DentalPlans.com with updates on a regular basis. Every effort has been made to ensure that only participating active providers are listed. We strongly recommend that you confirm that a provider is currently participating before you receive any services from that provider.

Other terms and conditions, the dental services eligible for discounts, and the discounted fees for the dental services included are listed in the Member's Area (except for the following plans: Aetna Dental Access, Vital Savings by Aetna, & Preferred Network Access) and are subject to change, modification or substitution by the Member's Plan or Program as updated by DENTALPLANS.COM from time to time, and Members shall receive a reasonable notification of any such change, modification or substitution. Fees for Services vary by region. In order to receive dental services at the discounted rate, a Member must present his/her Membership ID card to the Provider before dental services are rendered. Members must pay the Provider directly at the time of Service unless otherwise agreed upon between Provider and Member.

If a Member wishes to confirm whether a Plan or Program discount is available for a particular dental service, or wishes to confirm the current fee for a particular dental service, he/she should first contact the Provider directly, and if any further assistance is necessary, a Member Service Representative at the toll-free number located above and/or on the Membership ID card.

2. MEMBERSHIP TERM:

Once the initial fee for Membership in the Plan or Program ("Membership Fee") and any enrollment, processing fee is paid and received, a Member will be entitled to all discounted dental services for the time period ("Membership Term") that the Member selects at the time of purchase. The Member will receive a Plan or Program activation notice with such activation commencing within 72 hours of the purchase and remaining in force as long as Member continues to pay required Membership Fees and otherwise complies with the terms of this Agreement. Members may select from Membership Terms offered at the time of activation which include annual options. Member may change the Membership Term by calling Member Services before the new Membership Term at the number located on the Membership ID card.

3. AUTOMATIC RENEWAL OF MEMBERSHIP TERM:

YOUR MEMBERSHIP WILL BE AUTOMATICALLY RENEWED THREE (3) WEEKS PRIOR TO THE EXPIRATION DATE IDENTIFIED IN YOUR ORDER CONFIRMATION.

At the conclusion of your Membership Term, Membership in the Plan or Program will be renewed automatically unless the Member notifies DENTALPLANS.COM, either by telephoning a Member Services Representative at the number on the Membership ID card or by providing written notification to DENTALPLANS.COM before the new Membership Term, that he/she wishes to cancel his/her Membership in the Program.

Unless you are otherwise advised in advance by DENTALPLANS.COM, in the event that your initial membership order is paid in the form of an electronic payment (credit card or electronic check for the withdrawal of funds from your checking account), the automatic renewal will also be charged to the same credit card or checking account that you provide in making your initial membership order.

In addition to providing notification to DENTALPLANS.COM, in order to terminate his/her Membership, the Member also must return his/her Membership ID card to DENTALPLANS.COM before the new Membership term. If the Member either fails to notify DENTALPLANS.COM in writing that the Member is terminating the Membership and/or fails to return the Membership ID card as required herein, Membership in the Program will be renewed automatically and the Membership Fee for an additional term will be charged against the Member's credit card or by debit to the Member's checking account, as applicable. If the Member paid for the previous Membership by check, then he/she will be sent a bill for the Membership Fee. Should a Member have any questions concerning the program, or the continuation or cancellation of Membership, he/she should telephone a Member Services Representative at the number on the Membership ID Card.

4. CANCELLATION AND REFUND POLICY:

If a Member wishes to cancel and/or terminate his/her Membership, the Member may cancel their Membership in accordance with the DENTALPLANS.COM Refund Policy then in effect in the member's respective state of residence. To view the DENTALPLANS.COM Refund Policy in effect in your respective resident state, please click on the link Refund and Cancellation Policy, enter your resident US Postal ZIP code, and view and read the applicable Refund Policy. The Refund and Cancellation Policy in effect in your resident state at the time of your purchase is hereby incorporated herein and made a part hereof by reference.

Any cancellation of Membership in the Plan or Program will not affect any dental services or discounts received by a canceling Member before the effective date of the cancellation.

5. COMPLAINT PROCEDURE:

Any complaint regarding Plan or Program Membership should be directed to Member Services at the toll-free number on your ID card or in writing to the address shown above.

6. MEMBERSHIP PAYMENT/BILLING:

Unless payment is made by check (other than a direct debit), payment of the initial Membership Fee and/or any renewal Membership Fee will be made automatically by a charge against the Member's credit card or by a debit to the Member's checking account (depending on the payment option authorized by the Member) for the full amount of the Membership Fee for the Membership Term. Members who chose to pay Membership Fees by a direct charge against the Member's Credit card or by a direct debit to the Member's checking account statement may not receive notice from DENTALPLANS.COM of a subscription payment due, rather the Member will be notified of the billing on his/her credit card or checking account statement. Each Member hereby authorizes DENTALPLANS.COM to bill and receive payment for the Membership Fee as set forth in the Agreement. DENTALPLANS.COM reserves the right to increase the Membership Fee for a future Membership Term, in which case the Member will be notified of the increased Membership Fee, which will be effective upon renewal of the Program Membership.

Checks returned as unpaid (NSF) will be assessed a \$25.00 service charge. Past due accounts that are not brought current within 15 days of the e-mail notice are subject to suspension and possible account termination.

Unless you are otherwise advised in advance by DENTALPLANS.COM, in the event that your initial membership order is paid in the form of an electronic payment (credit card or electronic check for the withdrawal of funds from your checking account), the automatic renewal will also be charged to the same credit card or checking account that you provide in making your initial membership order. Provided that your discount plan benefits have not been used, a full refund will be issued within the first 60 days of the automatic renewal. After 60 days, membership is

subject to the cancellation policy detailed above. In the event that your initial membership order is paid via regular U.S. Mail in the form of a paper check or money order, it is the responsibility of the member to supply DENTALPLANS.COM with current payment information to process membership renewal. Payment options are limited to the following: credit card, electronic check withdrawal, or paper check or money order sent regular U.S. Mail.

In order for your membership to continue without interruption, your renewal payment must be received three (3) weeks prior to the expiration date identified in your order confirmation. In the event that DENTALPLANS.COM attempts to automatically renew your membership but is unable to do so due to the cancellation or inactivation of your credit card or other form of electronic payment, DENTALPLANS.COM will attempt to notify the member through the e-mail address on record. In all events, it is the responsibility of the member to ensure that DENTALPLANS.COM has received payment for membership renewal three (3) weeks prior to the expiration date identified in the order confirmation. DENTALPLANS.COM is not responsible and assumes no liability to any member for any member's failure to provide DENTALPLANS.COM with current payment information for membership renewal.
